ARPD Co-hosts Volleyball programs with VBmatch.com

The programs include indoor Volleyball Leagues, single-day Tournaments and Volleyball Skills & Drills Clinics taught by professional volleyball coaches. We have programs for competitive players with prior high school and/or collegiate experience as well as programs for players who are still learning the game.

During the summer and fall, we also offer outdoor Grass Volleyball tournaments at various parks in Alameda. These programs provide an opportunity for volleyball players of all ages to hone their skills by competing in doubles (2-on-2) and quads (4-on-4) formats.

Volleyball is a great team sport. In addition to the benefit of exercise, our volleyball activities are fun, social and competitive. Why not join a volleyball league, tournament or class?
